Rules & Regulations

Brahmaputra Hostel — IIT Guwahati

A guide to maintaining a safe, respectful,
and comfortable living environment for all residents.

Overview of Hostel Policies

All residents are expected to adhere to the following regulations. Violations are classified into three levels based on severity.

LEVEL 1

Severe Violations

3 Policies

Zero tolerance. Violations result in immediate disciplinary action, heavy fines, or expulsion.

LEVEL 2

Moderate Violations

4 Policies

Essential daily rules. Repeated offenses result in official warnings and financial penalties.

LEVEL 3

Minor Violations

5 Guidelines

Community guidelines for cleanliness, hygiene, and general hostel harmony.

LEVEL

01

Severe Violations

ZERO TOLERANCE POLICY

The following violations carry immediate consequences.
No exceptions. No warnings.

LEVEL 1 — Severe Violations

ZERO TOLERANCE

1. Anti-Ragging Policy

Any act of physical or mental abuse, teasing, hazing, or intimidation constitutes ragging. Violators face immediate expulsion from the hostel and potentially the institute, along with legal action if necessary.

2. Substance Abuse

Possession, consumption, or distribution of alcohol, illegal drugs, and tobacco is strictly banned within all hostel premises. Random checks may be conducted. Strict disciplinary action follows any violation.

3. Property Damage & Vandalism

Defacing walls, damaging furniture, tampering with CCTV cameras, or breaking hostel property is prohibited. Repair or replacement costs will be charged to the individual, alongside administrative penalties.

LEVEL

02

Moderate Violations

DAILY OPERATIONS & SAFETY

Essential rules for the daily functioning of the hostel.
Repeated offenses result in official warnings and fines.

LEVEL 2 — Moderate Violations (1 of 2)

Rule 4

Quiet Hours

Quiet hours are strictly enforced from 10:00 PM to 5:00 AM. Playing loud music, shouting in corridors, or any activity disturbing other residents' study or rest is prohibited during this period.

Violators will receive a formal warning on the first offence and a fine on subsequent violations.

Rule 5

Electrical Appliances

Heavy appliances — room heaters, air coolers, heavy induction cookers — are not permitted in individual rooms. They overload the electrical grid and pose a serious fire risk.

Iron boxes and electric kettles are permitted but must be used with extreme caution and never left unattended.

LEVEL 2 — Moderate Violations (2 of 2)

Rule 6

Hostel Timings & Leave Rules

All residents must adhere to hostel curfew timings. For overnight leaves, weekend trips, or out-station travel, prior approval from the Warden is mandatory.

Residents must log their departure and expected return in the security register. Failure to do so may result in disciplinary action.

Rule 7

Fire Safety & Security

The use of candles, incense sticks, or any open flames inside rooms is strictly prohibited — these pose a serious fire hazard.

Residents are responsible for their own belongings. Always lock your room when stepping out. The hostel administration is not liable for lost or stolen valuables.

LEVEL

03

Minor Violations

COMMUNITY GUIDELINES

Everyday guidelines for cleanliness, hygiene,
and a harmonious living environment.

LEVEL 3 — Minor Violations & Guidelines (1 of 2)

Rule 8

Visitor Policy

Visitors are only allowed in common areas and designated visitor rooms between 9:00 AM and 5:00 PM. No external guests — including friends from other hostels — may stay overnight without prior written permission from the Warden.

Rule 9

Cleanliness & Hygiene

Residents are responsible for keeping their rooms and immediate corridors clean. Do not litter — always use designated dustbins. Washing utensils or clothes in bathroom washbasins is strictly forbidden to prevent drain clogging.

Rule 10

Pantry Etiquette

When using the common pantry, clean up all spills immediately and wash your own utensils. Do not leave unwashed dishes or perishable food items unattended in sinks or on counters. Leave the space as you found it.

LEVEL 3 — Minor Violations & Guidelines (2 of 2)

Rule 11

Internet & Wi-Fi Guidelines

The hostel Wi-Fi network is provided for academic and personal use. Engaging in illegal downloading, accessing restricted websites, or tampering with hostel routers and network equipment is strictly not allowed.

Misuse of the network is a violation of both hostel and institute IT policies and may attract additional penalties.

Rule 12

Pet Policy

To maintain hygiene and prevent allergies among residents, keeping personal pets or feeding stray animals inside hostel rooms or internal corridors is not permitted.

This policy applies to all animals. Residents found violating this rule may be asked to make immediate arrangements to relocate the animal.
